This truly spectacular "cloud" of a duvet is filled with luxurious Eastern European Hungarian Down beautifully warm, extremely fat and fluffy

Minimum 800 fill power, loft

Guaranteed for 20 years

Absolutely Heavenly to Sleep Under!

- Hungarian white goose down with only very large down clusters, 800 fill power (loft)
- Ticking—soft 100% cotton-white 230 thread count, washable-guaranteed downproof
- European construction-large tunnels with 12" High inner baffles, high loft ability
- High baffle and tunnel construction allows for adjustability of the down for different temperatures and different seasons

It is recommended that a lightweight duvet cover be used to promote breathability and loft
